

City of Mound Bayou

Office of the Mayor

July 12, 2023

MOUND BAYOU/DUNLAP COMMUNITY RESIDENTS

The City of Mound Bayou is working hard to improve the infrastructure. We have been diligently working on plans to make the water/sewer system better for residents since August, 2022. We now have a plan and it is very important that you know about them. A Water/Waste Water Project plan will directly affect you and your family. We have plans that will make it much better for you.

To make sure that you and City of Mound Bayou residents understand and know what the plans are we **STRONGLY ENCOURAGE** you to attend the **CITY OF MOUND BAYOU BOARD MEETING ON AUGUST 1, 2023 at 5:30 pm AT CITY HALL!** We will explain everything to you at this meeting. There will be representatives from Environmental Research Group (ERG) the Cook Coggins Engineers who will do actual work as well as representatives from the Environmental Protection Agency (EPA) and United States Department of Agriculture (USDA). They will explain the project completely **AND ANSWER YOUR QUESTIONS!** As **Community Residents**, it is important that you know how this project will affect you and what you can expect in the Dunlap area.

Please put this on your calendars , make an extra effort and plan to attend !
